

Introducing Nuance Audio Glasses

• • • nuance audio

A new invisible hearing solution

If you experience mild-to-moderate hearing loss, everyday conversations—especially in noisy environments—can be challenging. Nuance Audio seamlessly integrates state-of-the-art sound technology into sleek, smart eyewear for an all-in-one vision and hearing solution.

What makes Nuance Audio glasses unique?

1. DIRECTIONAL MICROPHONES

Enhance speech clarity in noisy environments with directional microphones.

2. LENSES

There's an option to add your preferred optical lenses based on your vision needs.

3. FRAMES

Choose from different sizes, stylish designs, and elegant colors.

4. OPEN-EAR SPEAKERS

Lightweight, open-ear speakers with no sound delay offer all-day comfort and avoid pain or irritation.

Everyday uses for Nuance Audio

THE WORKPLACE

Busy meetings and bustling offices? Experience enhanced hearing that reduces listening effort, to help you stay sharp and confident throughout the day.

RESTAURANTS

Struggling to follow conversations in noisy restaurants? Make dining more enjoyable with directional microphones that limit background noise interference.

FAMILY GATHERINGS

At family dinners or reunions, don't miss the shared laughter and heartfelt moments. Focus on the voices that matter and make every day more enjoyable.

Did you know?

- About 28.8 million U.S. adults could benefit from using hearing aids.¹
- Approximately 15% of American adults ages 18 and over report some trouble hearing.¹
- Men are almost twice as likely as women to have hearing loss among adults ages 20-69.¹
- Common barriers to hearing aid adoption include stigma, comfort and price.²

See and hear life to the fullest

Nuance Audio is available at many EyeMed in-network providers – check with your provider during your next eye exam.

EyeMed members may be able to use their vision benefits to help cover the costs when purchasing Nuance Audio. To view your plan details, download the EyeMed app. Then, talk with your eye doctor about the best solution to meet your needs.
